Please note this must be in the same name as the hirer on the Venue Hire Agreement.

Financial Reconciliation

All event costs are reconciled by an itemised invoice by Glen Street Theatre. Charges are as per the applicable Northern Beaches Council gazetted fees and charges relevant at time.

Glen Street Theatre will retain all box office sales and other monies in its' keeping until completion of the hire. The hirer will receive a final reconciliation statement for applicable charges within ten (10) working days of the conclusion of the hire period.

Account records are retained through Northern Beaches Council financial management software system.

Marketing Opportunities

Glen Street Theatre can list your performance or event on our website as part of your hire. Events will be added once your contract has been signed, deposit paid, ticketing and marketing schedule and web materials have been received. Please allow five (5) business days from time of acceptance for your event to be added to our website.

[Click here for marketing opportunities for hirers](#)

All promotional and other material relating to the production published by the hirer will clearly and accurately read similar to: '**Hirer's name**' presents '**Production**' at Glen Street Theatre, Belrose. This includes printed material such as programmes, posters, flyers, advertisements etc.

Merchandising

If the hirer wishes to sell programmes or merchandise, a sales report must be provided to management at completion of hire. A merchandising fee of 12.5% will be applicable. If sales can't be adequately reported by the hirer, a stallholder's fee will be applied.

If required Glen Street Theatre can provide a merchandise seller for you.

Catering

Glen Street Theatre has a fully licensed bar. Alcoholic and non-alcoholic beverages, as well as theatre snacks can be purchased by patrons before and during intermission. BYO is strictly prohibited.

Photography during a performance

The hirer has the opportunity to decide if they will allow filming and/or photography during their show as part of the Ticketing and Marketing schedule

Photography during a performance with minors

The use of filming and photography is strictly prohibited for copyright and child protection reasons, and abusive behavior when enforcing this will not be tolerated.

There are significant child protection issues including the consent of other parents to have their children incidentally photographed or filmed. In a live environment there is a high risk that parents are not just capturing the image of their child but also the other children on stage.

In the world of copyright taking a video of a child that happens to also include copyrighted music, or any other copyrighted creation, requires a licence. While you may hold all the appropriate licences, the audience does not. In the age of social media distribution this presents breach of copyright risks.

We strongly encourage hirers to communicate this prior to the event and plan for a pre-show announcement reinforcing that the use of photography and recording is strictly prohibited, and the audience should switch off their phones and put them away. This is most effective when undertaken by a representative live onstage pre-event.

Hirers who wish to video their event should advise the theatre at least two (2) weeks prior to their on sale date. Any seat allocation required to facilitate recording an event, including consideration of impact on nearby patrons and restricted viewing must be agreed prior to an event going on sale.

Venue, Property or Equipment Damages

Any damage will be charged to the hirer. To help minimise potential damages please ensure children are always supervised and organisers' work with staff to ensure all builds are done safely.

WI-FI / Internet

WI-FI and internet access is available in all parts of the venue. The Duty Technician will provide access details at the time of your hire.

HIRER RESPONSIBILITIES

Copyright and Licenses

The Hirer must not infringe on any copyright, performing right or other protected right involved with the event. The hirer must hold the appropriate licences with regard to APRA, PCCA and any other relevant licences required to present the event in the venue.

Work, Health and Safety

Glen Street Theatre is committed to maintaining a safe work environment that ensures the health, safety and wellbeing of its staff, volunteer workers, contractors and members of the public.

Workplace Health and Safety is everybody's responsibility. If a potential hazard or unsafe work practices are noticed, the hirer must immediately report this to theatre staff.

Child Protection

All employees at Glen Street Theatre hold a current Working With Children Check (WWCC).

Hirers need to be responsible for their own compliance measures in relation to Child Protection. This includes ensuring that all persons employed by them, or invited into backstage areas of the venue, comply with the requirements of Child Protection Acts in relation to prohibited persons and / or registrable persons under provisions of Acts while in contact with children in the venue and on any Council premises.

BOX OFFICE SERVICES

All events held at Glen Street Theatre must be reserved seating and all tickets must be sold exclusively through the Glen Street Theatre Box Office which provides a phone, counter and online service. No events will be opened for sale until:

- A Hire contract is signed.
- A Hire deposit is paid, and
- A Ticket and Marketing Form with image has been submitted.

The hirer agrees to comply with the [Ticketing Code of Practice](#) as outlined by Live Performance Australia. Hirers will be responsible for all ticket refunds and charges where an event has been cancelled, postponed or significantly changed.

The Glen Street Theatre Box Office contact number for phone transactions is 9470 5913. The Box Office is located in the foyer of the theatre. Normal box office operating hours are 10am - 4pm Monday to Friday, and 1 hour prior to performances.

If the hirer requires additional Box Office support including longer operational hours to service event needs, additional costs will be charged to the hirer.

Ticketing fees for box office services apply to each ticket sold. These fees will be charged to the hirer at the point of reconciliation. The fees are applicable **within** the advertised ticket price, therefore the hirer must advertise the ticket price as an all-inclusive ticket price.

Ticket purchasing will have transaction fees associated. These external transaction fees are charged to the purchaser once only per transaction. The fee depends on the method of purchase; online, phone or counter as gazetted in the Northern Beaches Council Fees and Charges.

Glen Street Theatre is an affiliate of the NSW Companion Card program. It is a condition of hire to provide complimentary tickets to those who hold a valid NSW companion card so long as they are accompanying a person with a disability to the performance.

Glen Street Theatre reserves twelve (12) accessible seats in each event build for patrons requiring wheelchair access. These are released for general sale once all other seats have been sold to ensure maximum capacity can be reached.

Glen Street Theatre retains four (4) House Seats for management use. These seats are not available for sale or use by the hirer.

Complimentary Tickets

A complimentary ticket allocation must be requested by the hirer as part of the Ticketing and Marketing schedule and initial event build. Any further complimentary tickets must be requested by an authorised person in writing and are issued subject to availability.

Tentative Hold

Once the bookings calendar is open bookings are taken in order of Venue Bookings Request Forms being received.

Bookings will not be taken over the phone without a written request by the hirer.

All hirers must disclose the name and scope of any event/show for a provisional booking to be made (pencil hold).

A hirer can request a pencil hold for a single event on multiple dates. Management has the right to refuse multiple pencil holds if the holding of multiple pencil holds will have a serious impact on the Venue's calendar.

Glen Street Theatre will reply in writing via email to the enquiry confirming the dates on hold.

Release of a Hold

The hirer has 30 days from a hold being made to confirm the event and go to contract otherwise Glen Street Theatre has the right to release that hold. Holds are reviewed to ensure access and available dates are maximised.

The hirer is to be notified in advance of this release and provided an opportunity to confirm the booking. Should there be no response in writing within 48hrs the hold will be released.

Contested Hold

A venue hire deposit will then be issued and must be paid within 14 days of issue. Should the hirer not return the contract or pay the venue hire deposit fee within this window, the hold will be forfeited.

In this instance, the alternate hirer will be contacted and must be willing to proceed to contract to secure that date.
