GLEN STREET TIP:

We recommend supplying special/unseen content for targeted EDMs, to increase the value to readers. Things like Q&As with performers, behind the scenes videos/shout outs etc. This is not necessary, but can improve conversion to sales.

GLEN STREET TIP: ADVERTISING CAMPAIGNS

We are not able to offer you an advertising agency service such as booking print ads, booking bus/retail advertising or a Google Ads campaign. If you wish to create a dedicated marketing campaign for your event, we work with the following agency:

Leonards Advertising
leonards.net.au/contact

A NOTE ON PULL-UP BANNERS:

Pull-up Banner locations for pre-event publicity are not available. Should you wish to use pull-up banners they may only be positioned during the term of your hiring period. Any banner left on site will be disposed of at a cost to the hirer.

“We worked with Glen Street marketing for our show *Bocelli & Brightman -The Tribute Show* (sold out) and found it an easy process. They know the market and made some great suggestions to suit what we needed...We felt that they really cared about us as artists -instead of making us feel like just another ‘act’.”
